Part	Modèle	Travel 503	VAT included
1120-00	Travel 503 S	High-efficiency outboard with integrated 300 Wh LIMA high-performance battery, 1.5 HP equivalent, with GPS-based range calculation, information display, charger included, short shaft version	1399
1121-00	Travel 503 L	High-efficiency outboard with integrated 300 Wh LIMA high-performance battery, 1.5 HP equivalent, with GPS-based range calculation, information display, charger included, long shaft version	1449
1124-00	Spare battery 300 Wh	LIMA high-performance battery with integrated GPS receiver, 300 Wh , 29.6 V, 10 Ah for Travel 503 / 1003	499
1125-00	Spare battery 400 Wh	LIMA high-performance battery with integrated GPS receiver, 400 Wh , 29.6 V, 14 Ah for Travel 503 / 1003	599
1127-00	Charger for spare battery Travel 503	40 watt charger (12 V, 3.3 A) for charging 300 Wh and 400 Wh batteries, for power connection to 100-240 V and 50-60 Hz	59
1901-00	Spare propeller Travel 503	12" x 10" variable-pitch-variable-camber (VPVC) propeller developed especially for the torque characteristic and performance range of Torqueedo-motors	99
Part	Modèle	Travel 1003	VAT included
1122-00	Travel 1003 S	High-efficiency outboard with integrated 400 Wh LIMA high-performance battery, 3 HP equivalent, with GPS-based range calculation, information display, charger included, short shaft version	1699
1123-00	Travel 1003 L	High-efficiency outboard with integrated 400 Wh LIMA high-performance battery, 3 HP equivalent, with GPS-based range calculation, information display, charger included, long shaft version	1749
1125-00	Spare battery 300 Wh	LIMA high-performance battery with integrated GPS receiver, 300 Wh , 29.6 V, 10 Ah for Travel 503 / 1003	599
1124-00	Spare battery 400 Wh	LIMA high-performance battery with integrated GPS receiver, 400 Wh , 29.6 V, 14 Ah for Travel 503 / 1003	499
1127-00	Charger for spare battery Travel 1003	40 watt charger (12 V, 3.3 A) for charging 300 Wh and 400 Wh batteries, for power connection to 100-240 V and 50-60 Hz	59
1917-00	Spare propeller Travel 1003	11.5" x 8.1 variable-pitch-variable-camber (VPVC) propeller developed especially for the torque characteristic and performance range of Torqueedo-motors	99
Part	Modèle	Accessories Travel 503/1003	VAT included
1129-00	Solar	High-efficiency foldable and flexible CIGS solar module, plugs simply into the integrated LIMA batteries of Travel models 503/1003 and charges also other 24 V devices 62 W	999
