Part	Modèle	Base Travel 401	Prix TTC
1307-00	Base 401 S	High efficiency <b>12 V</b> motor, <b>short shaft</b> version, including cable connection to standard lead batteries	<b>899</b>
1308-00	Base 401 L	High efficiency <b>12 V</b> motor, <b>long shaft</b> version, including cable connection to standard lead batteries	<b>899</b>
1111-00	Battery Travel 401	LIMA high-performance battery with integrated display of charging state, 300 Wh, 14.8 V, for use with BaseTravel 401	<b>499</b>
1113-00	Charging unit for battery T 401	40 watt charging unit (20 V; 2 amp) for charging the Travel 401 LIMA battery, for power connection with 100-240 V and 50-60 Hz	<b>49</b>
Part	Modèle	Base Travel 801	Prix TTC
1309-00	Base 801 S	High efficiency <b>24 V</b> motor, <b>short shaft</b> version, including cable connection to standard lead batteries and connection cable for serial connection of two 12 V batteries	<b>999</b>
1310-00	Base 801 L	High efficiency <b>24 V</b> motor, <b>long shaft</b> version, including cable connection to standard lead batteries and connection cable for serial connection of two 12 V batteries	<b>999</b>
1112-00	Battery Travel 801	LIMA high-performance battery with integrated display of charging state, 300 Wh, 29.6 V, for use with BaseTravel 801	<b>499</b>
1114-00	Charging unit for battery T 801	80 watt charging unit (40 V; 2 amp) for charging the Travel 801 LIMA battery, for power connection with 100-240 V and 50-60 Hz	<b>49</b>
Part	Modèle	Accessoires Base Travel	Prix TTC
1901-00	Replacement propeller	Variable-Pitch-Variable-Camber (VPVC) Propeller, developed especially for the torque characteristic and performance range of Torqueedo-motors	<b>99</b>
1906-00	Tiller extension	Longer tiller handle, 60 cm long	<b>29</b>
